

The Swaminarayan

Education is that which liberates

Dear Parents, Guardians, Pupils and Friends,

Theme for the week

The theme for next week is “Art & Culture” so I thought we should celebrate the excellent work of the GCSE and A Level Art students under the able guidance of Ms Zeigler and Ms Morrison. The students have produced some stunning pieces which the black and white nature of the newsletter does not show off – do visit the TSS website to view the work in colour.

TSS A Level Art by Roshni Pattni

End of GCSE & A Level Examinations 2018

The External exams for this summer finish here on Monday. We hope that all children have been successful, and do enjoy the summer now. Please note A level results are published on 16th August 2018 and GCSE results are published on 23rd August 2018. We hope that everyone will be happy and pleased with these.

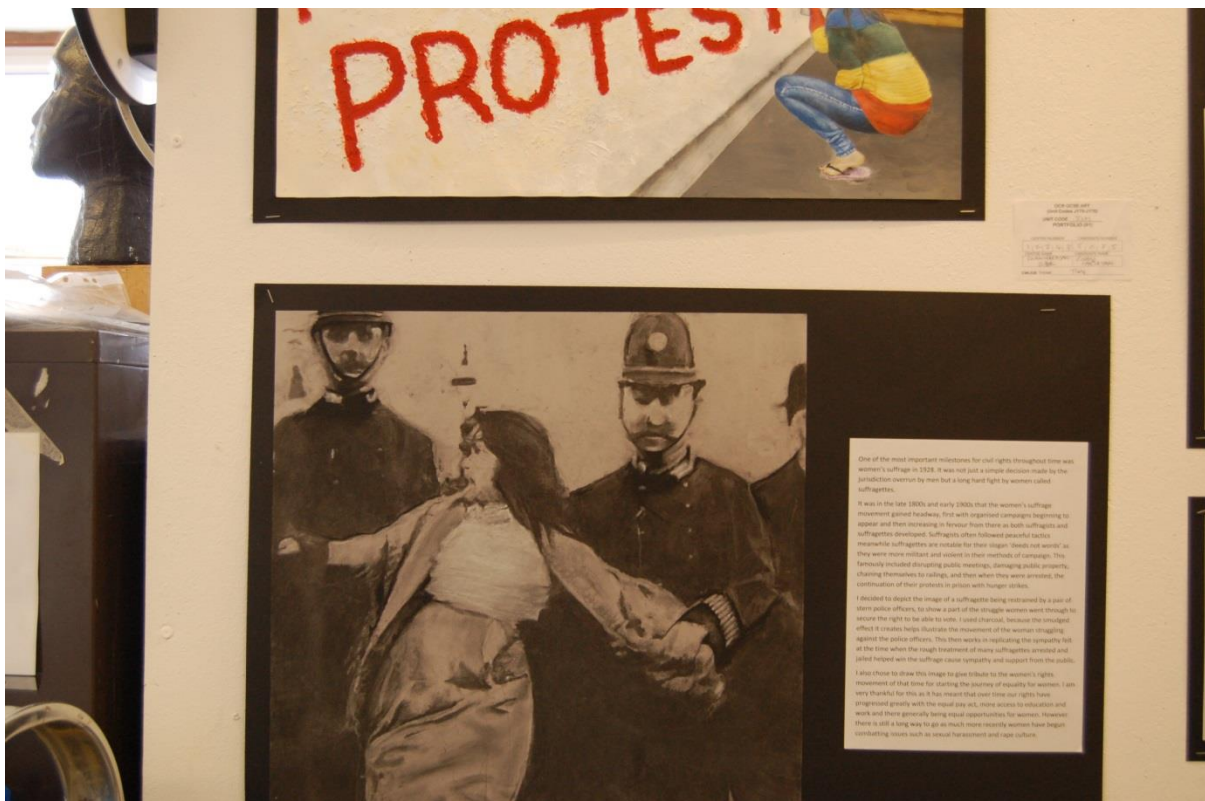

Please be aware that it is possible to make various forms of Enquiries About Results (EAR) formally to the Exam Boards; the main one being to apply for a Re-mark. This is done On-line through me to the Exam Board/s concerned using the secure area of their Website. Please be aware that such enquires cost money. They are not cheap! Also payment to the

school is required in advance. In certain circumstances it may be refunded. You should also be aware that re-marks can result in a **decrease** as well as an increase in marks and the consequences. So any EAR should be carefully considered and you may wish to discuss this with staff. The dead-line for EARs is the 20th September, but I would request that if possible these are done much earlier near the beginning of September. Only Priority Re-marks should be done ASAP. Immediately after release of the Results and are even more costly and should only be requested under "exceptional" circumstances (e.g. When University places are "at stake"!).

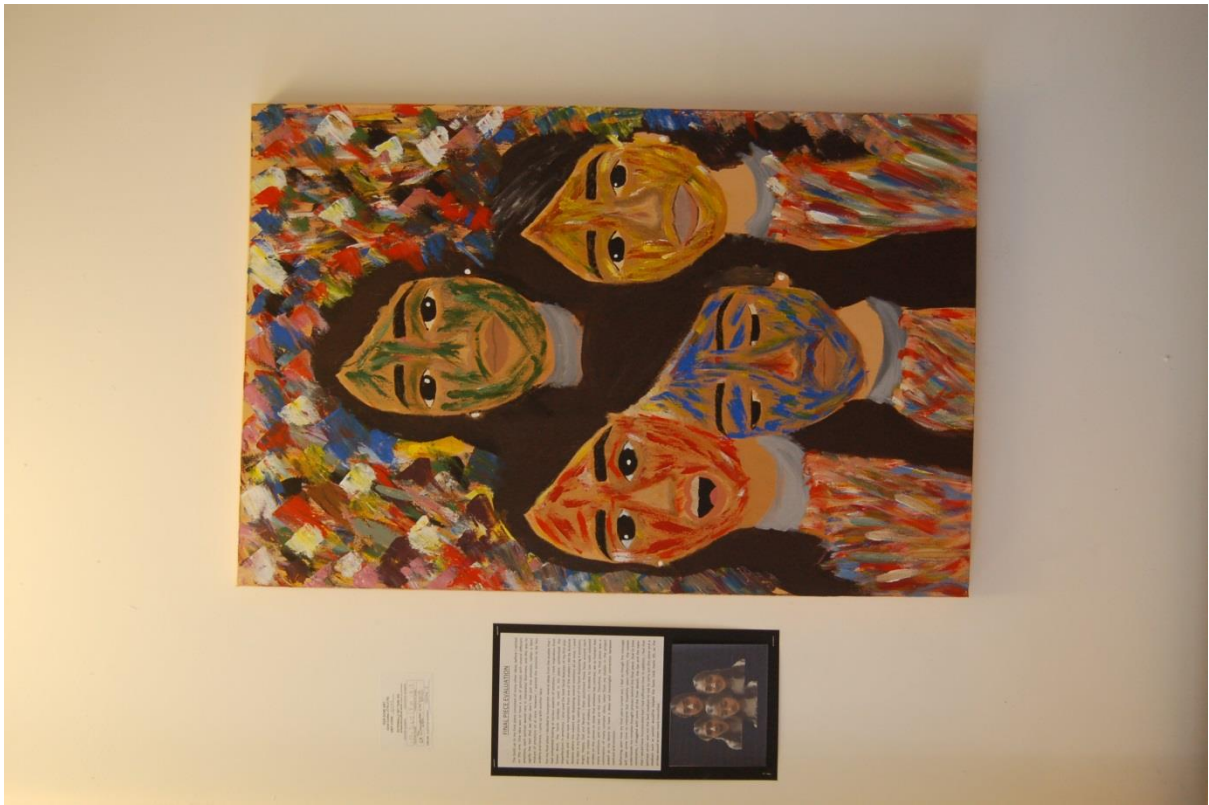

Please note that if you feel your son or daughter have been affected by "adverse circumstances" beyond their control and you wish to make the Exam Boards aware of such, then it is possible to apply for Special Consideration. This should be done as soon as possible after the last exam. It should not be undertaken lightly. The circumstances can vary here, and usually need suitable evidence. Please see me for any advice if you wish and to pursue such if appropriate.
